Network Guide

More than 4,000 providers

Health First and AdventHealth have come together to offer an extensive provider network throughout Central Florida. Our network allows all AdventHealth Advantage Plans' Individual and Family Plan members to access providers in seven counties. For a list of providers, visit our online directory at **myAHplan.com**.

What is the difference between Service Area and Provider Network?

The **Service Area** defines which counties are eligible for either Health First Health Plans' or AdventHealth Advantage Plans' products. For example, a member residing in Volusia County would only be eligible for AdventHealth Advantage Plans' products.

The **Provider Network** combines all providers contracted with both Health First and AdventHealth into a single network. Contracted providers will be accessible to all plan members regardless of service area.
